### **HALLOWEEN - 31<sup>ST</sup> OCTOBER**

Karl's wife Katie has this artistic streak. So Karl, Katie and Demi dressed the pub lounge with spiders, cobwebs, skeletons and pumpkins, and to compliment the theme, our Chefs Creative Journey Menu features items like Scare Ribs, Teriyaki Bat Wings and Monster Meatballs.

This menu will run until 4<sup>th</sup> November.

See the full menu on our web site

#### Debbie's Column

Issue No 12

Well we have had our rate review. It has to be said that every little helps, and although there is a reasonable reduction, it is not as much as we hoped for. It took 338 days to disclose a new rateable value of £47,500 but, if we were to appeal we had just 7 days in which to do so. Something somewhere isn't right.

On a brighter note, I think the Farriers looks great, it is so much lighter, it blends in well, yet it has a more modern feel. With a lot of the work, being done by ourselves, there is a much bigger feeling of achievement. The upholstery course Rory went on certainly paid for itself, as I am sure you will agree.

Again on another upbeat note, our next refurb plan has been decided, hopefully work will now commence on the back bar, (it was between the bar or reception). Go Go Rory! – What would we all do without him?

Hope to see you soon.....Debbie

Mr Bill Norman

from the Alsager U3A Tuesday Morning Group

Pie Night on Thursdays

Will cease this month, temporarily for now.

With the Xmas menu soon to be added, we feel there could be too much choice available. That being said, if you are a frequent user of our Pie Night, Richard can probably rustle up your favorite upon request, but only on a Thursday.

**Tuesday's Choice**

Will continue
